

1988 map showing the northern quays of the Wet Dock at the bottom with Fore Street curving up to the Eagle Street junction at upper centre. By this time Star Lane had been cut through for the 'Eastern Gyratory' traffic scheme and snakes from the lower left, to curve around the Church of St Clement into Grimwade Street.

1988 map showing Duke Street roundabout and the eastern section of Fore Street at lower left. Also included, the Civic College/Suffolk College campus, with Alexandra Park to the north.
