

**Ipswich Tourist
Guides Association**

Learn all about the history and culture of Suffolk's County town.

With over 30 years experience, our volunteer guides have a wide ranging knowledge of Ipswich's past, present and future. Find out about entertainment venues, churches, medieval buildings, the Freehold Land Society, Wolsey, Dickens and so much more connected with Ipswich on one of our scheduled walks (see reverse). We can also tailor a walk to best suit the interests of you or your group.

Ipswich Tour Guides is hosted through **Suffolk Archives at The Hold**. The Hold is a new heritage centre on the waterfront in Ipswich. In addition to the public searchroom and local studies library, it also includes a purpose-built exhibition gallery, cafe, 200-seat auditorium, and multi-purpose education room.
