

Aerial photograph of Ipswich town centre (west), 1979, showing the Willis building lower right with Civic Drive rising up diagonally to the spiral car park and Civic Drive. Christchurch Park at upper right.

Aerial photograph of Ipswich town centre (east), 1979, showing the Wet Dock, Gasometer, Myrtle Road roundabout at lower right with Duke Street rising to the Duke Street roundabout and Fore Street curving away to the left. The Willis building is at the upper centre, above St Peter's Wharf.

Above, just right of centre: Civic College, later Suffolk College, photographed around 1970. The detail below focuses on the college buildings framed by Grimwade and Fore Streets, Back Hamlet and Rope Walk.
